18th Century Bronze Bud Vase

An elegant 18th century Japanese bronze bud vase of slender, elongated form, with a narrow flared mouth rising above a rounded, bulbous body. The beautifully patinated surface displays subtle variations of olive green and warm brown. Raised on a circular foot decorated with finely incised scrolling foliage, the vase combines a graceful silhouette with restrained ornamentation. An impressed maker's mark appears on the underside.

PRICE

$1,850

PERIOD:	c.1750
