NAGA ANTIQUES

Japanese Lacquer Hibachi (Brazier)

Meiji period (1868 - 1912), box shaped hibachi with MOP inlay, handles on two sides, and a copper insert. Family crest of the Matsunaga clan in lacquer and MOP outlines. The crest is a tsuta-mon, or ivy crest, in the form of five ivy leaves.

Spectacular hibachi in great condition. Due to the high level of decoration, this was a brazier most likely used to heat a kettle in tea ceremony.
